with the people of Chad.

IN THE SENATE OF THE UNITED STATES

JULY 11, 2022

Mr. MENENDEZ submitted the following resolution; which was referred to the  
Committee on Foreign Relations

## RESOLUTION

Calling for a democratic transition in the Republic of Chad  
and standing with the people of Chad.

Whereas the people of the Republic of Chad suffered for three decades under the authoritarian rule of Idriss Deby, whose government was characterized by human rights abuses, rampant corruption, gross mismanagement of government resources, the suppression of civil liberties and fundamental freedoms, including freedoms of peaceful assembly and expression, and internet blockages;

Whereas President Idriss Deby impeded the ability of the people of Chad to change their government by violating constitutionally mandated presidential term limits in 2005, repeatedly postponing legislative elections which were last held in 2011, arresting opposition party mem-

bers and civil society activists, and organizing presidential elections that were neither free nor fair;

Whereas, from 2016 to 2021, authorities in Chad blocked or limited access to the internet for 911 days, totaling two and a half years, to impede the ability of Chadian citizens to criticize their government, organize public protests, hold their government accountable, monitor presidential elections, or access outside information;

Whereas, under the constitution of Chad, upon President Deby's death on April 20, 2021, power should have passed to the President of the National Assembly to organize new democratic elections;

Whereas, instead of adhering to the constitution, a group of Chadian military officers installed President Deby's son, General Mahamat Idriss Deby, as Transitional Military Council (TMC) president, suspended the constitution, and dissolved the government and National Assembly;

Whereas the actions of Mahamat Deby and the Chadian military in April 2021 constituted a coup d'etat;

Whereas security forces in Chad used excessive force, including live ammunition, against civilians protesting the coup in April and May 2021, killing at least 7 individuals, wounding dozens more, and arresting hundreds;

Whereas the African Union's Peace and Security Council expressed "grave concern" with the establishment of the TMC and stated on May 14, 2021, its "total rejection of any unconstitutional change of government," noting the appointment of a prime minister and "civilian-led Transitional Government" but categorically asserting that no form of extension of the transition period beyond the 18-month timeline of October 22, 2022, would be acceptable,

and calling on Mahamat Deby and members of the TMC to commit to not contesting or taking part in elections transitional authorities are responsible for organizing;

Whereas the African Union reaffirmed on August 3, 2021, the need for the Transitional Government to respect the 18-month transitional timeline for elections in October 2022 and reiterated that members of the TMC “shall not be eligible to be candidates for the elections at the end of the transition”;

Whereas the TMC released from jail approximately 300 people charged with crimes of opinion, terrorism, and harming the State in November 2021, in advance of a dialogue with armed groups in Qatar;

Whereas the TMC and several dozen rebel groups launched a pre-dialogue process in Qatar in March 2022, in advance of an inclusive national civilian dialogue in Chad scheduled for May 2022;

Whereas a peaceful and democratic Chad is essential for the stability and development of Central Africa and the Sahel;

Whereas Chad faces a dire humanitarian crisis due to threats posed by terrorist organizations and armed groups, regional instability, climate change, food insecurity, and decades of internal mismanagement and corruption by former President Deby’s government;

Whereas the April 2021 coup d’etat was inconsistent with the African Growth and Opportunity Act (AGOA), which states that AGOA eligible countries must have established or are making continual progress toward establishing the rule of law and political pluralism; and

Whereas United States security assistance to Chad, which has long been prioritized over democracy, human rights, and development assistance, thereby contributing to the militarization of the former Government of Chad, should remain suspended until democratic elections are held and civilian rule is restored; Now, therefore, be it

1       *Resolved*, That the Senate—
